Papers' features and formats required of Authors

- Time of speech: 20 to 30 minutes
- The papers will be reviewed and published in the post-conference book. Selected texts will be published (in English) in the peer-reviewed scholarly journal PTINT – *Praktyka i Teoria Informacji Naukowej i Technicznej*.
- The papers, saved in .doc or .rtf formats, should be 10 to 15 standard pages long, including bibliography. Send the full texts to Sabina Cisek 11forumzakopane@gmail.com or Diana Pietruch-Reizes diana.pietruchreizes@gmail.com.
- Abstract (approximately 200 words) should contain the purpose of the paper, major research findings, conclusions, etc. and a few keywords.
- The text should be divided into unnumbered chapters with individual headings.
- All the tables, figures, charts and diagrams should be numbered consecutively using Arabic numbers. They should have individual titles. Furthermore, author's name and the date of creation should be written. Reprint permission should be enclosed if needed.
- In case of Web pages, the author, title, the date of publication (or last modification), URL and the date of visiting (in square brackets) should be given.
- References should be shown within the text by giving the author's family name followed by a comma and a year of publication, all in square brackets, e.g. [Smith 2011, p. 70].
- The bibliography/literature should be placed at the end of the text in alphabetical order.
